

VIRTUAL CLASS

Dear Parents and Students,

The Global outbreak of Corona Virus (Covid-19) has impacted every aspect of human life, with no exception to the Educational life. All academic work in schools has been put on hold. As per the directives of the council we would like to induct the use of modern and digital means of imparting education which include Virtual Teaching and Learning, Assignments, Project work etc. This is to ensure continuity in students' learning and effective utilisation of the time at home during the lockdown period, through productive activities. The respective teachers according to their subjects will be uploading the matter in the Parent Portal (Campus Care). Please follow the instructions of the teachers and do the needful. Looking forward to your whole hearted cooperation and support in this endeavour.

May God continue to bless all of us with good health of mind and body. Stay home Stay safe.
