

Dear parents and students,

At the very outset, I would like to send you warm greetings from Stella Maris Inter College. We are going through an unprecedented global predicament today. Each one of us and the entire world is affected by the coronavirus pandemic; our economy, our families, communities and our entire way of life are adversely affected by the scare of infection and contagion. I would like to share your anxiety and preoccupations and express my solidarity with you and your family. We have prayed for you and your families; for your safety and health.

Dear parents I would like to thank you for your whole hearted co-operation and support in all our endeavours. As per the government directives the fees will be the same for the session 2020-2021. The parents who have paid the fees for this session will be adjusted in the following months and those who have paid for the whole year, the excess will be refunded when the school reopens.

Dear students I am sure that all of you are seriously attending the online classes and utilising the lockdown period fruitfully. We hope and pray that we may be able to accept this present situation in a spirit of goodwill, so that we may emerge as strong and healthy human beings.

May God bless us.
