

**Dear teachers, parents and students,**

**Each one of us and the entire country is affected by the second wave of coronavirus and our way of life is adversely affected by the scare of infection and contagion. I would like to share your anxiety and preoccupations and express my solidarity with you and your family as I am informed that some of you are affected by the coronavirus. We continue to pray for all of you and your families; for your safety and good health.**

**Since the situation is worsening day by day the school management has decided to begin the summer vacations from 3<sup>rd</sup> May 2021 to 31<sup>st</sup> May 2021. If the condition becomes normal the school will resume the classes from 1<sup>st</sup> June 2021.**

**Dear students kindly ensure to utilise the vacations fruitfully and do complete the holiday home work which will be assigned to you by your respective teachers during this week.**

**Dear parents I would like to thank you for your whole hearted co-operation and support in all our endeavours.**

**Let us keep moving forward. We will not let a global pandemic stop any of us from becoming who we want to be in the future. Give everything that you can, never give up, stay positive, strong, healthy, and resilient!**

**May God bless us.**
