

PRINCIPAL'S MESSAGE

Dear Students & Parents,

In the Holy Bible we read, "Give thanks to the Lord for His great love is without end." I thank God for His constant accompaniment during the past 2 years of my tenure here in Stella Maris. I thank Him for the manifold blessings that He has bestowed upon all of us.

As I have to say Goodbye to Stella Maris family, I thank you dear parents and students for making my service a fruitful and memorable one.

I sincerely thank you dear students for the love & respect that I have received from you. I pray that each one of you excel in studies, achieve your dreams and make an indelible mark in the society as a Marisian and reach the fullness of life. May your dreams and the dreams of your parents come true!

Dear Parents, I thank all of you for your goodwill and cooperation in enabling us to impart value based education. I can understand that you are working untiringly to provide a better education and bright future to your children even during the time of Covid-19 pandemic. Though the children have missed their valuable time of being in the school premises, the School has organized various curricular and co-curricular activities virtually throughout the academic session. This was possible only because of your whole hearted support. Once again I thank you from the bottom of my heart for all your contributions.

MY PRAYER FOR YOU

In this beautiful day, may God take care of all your needs.

Touch your Life with Joy and Contentment.

Bless your Heart with Love and Faith.

Comfort your Soul with Inner Peace.

Grant you good Health now and always.

May God bless us!
